

Saturday School Courses

AUTOMOTIVE

CONCEPTS PROGRAM

NEW! Are you interested in learning about cars and the automotive industry? Saturday School is piloting our first-ever Automotive Concepts program. Learn what it takes to begin a career in either Auto Collision or Auto Technology from current Auto teachers and industry professionals. Students will explore concepts such as auto restoration, painting, maintenance and sales.

This non-credit enrichment program is for Montgomery County Public School's Middle and High School students in grades 6 to 12.
